

# 36 Sichuan Earthquake Orphans 10 Days in Edmonton

*During the earthquake in Sichuan, China, over one thousand children lost their parents and became orphans overnight. To bring some hope and happiness to some of these orphans, ECBEA is fundraising to bring 36 of them to Edmonton for 10 days this summer.*

**THEY NEED YOUR HELP!**

*Plans have already been made to billet them in Edmonton, along with any transportation and entertainment needs while here for the ten days. The only piece missing in this journey is the cost of their return airfare.*
